This order may be accepted only by Seller's written acknowledgement of the order. Any additional or different terms or conditions that may be proposed by Seller are hereby rejected and shall not become a part of the purchase agreement without Buyer's written consent. On items purchased based on drawings of Buyer, no deviations from the drawing specifications shall be made without Buyer's prior written consent. When the goods being sold hereunder are to be used in conjunction with any product of Buyer, Seller shall notify Buyer as far in advance as commercially reasonable when changes are planned to Seller's standard product. If Seller shall, instead of making written acceptance of this order, ship any goods by or furnish any services in response to this order, Buyer may, in its sole election, either reject the tendered goods and/or service or treat such action as constituting acceptance and assent to the terms and conditions hereof.

PRICE - In the event that subsequent to the date of, but prior to the date of Seller's fulfillment of, this order Seller shall reduce the price of the goods and/or services of the kind or quality of the goods and/or services which are the subject of this order, such price reduction shall apply to this order. If Seller has not previously quoted or charged Buyer prices as to any goods and/or services ordered hereby, the price shall be the lowest price charged by Seller to any buyer for goods and/or services of like kind and quality from the date hereof until date of delivery.

In such event, at Buyer's option: (a) Seller shall, at Seller's cost, promptly repair or replace same; (b) Buyer may return same to Seller, at Seller's cost, for a refund or credit for amounts previously paid by Buyer; or (c) Buyer may correct or replace same and Seller shall be responsible for the cost thereof. Buyer's inspection and/or acceptance of and/or payment for goods and/or services shall not constitute a waiver by it of any warranties. Buyer's approval of any sample or acceptance of any goods shall not relieve Seller from responsibility to deliver goods and to perform services conforming to specifications, drawings and description. Seller warrants that (i) neither the goods furnished hereunder nor the sale or use thereof will infringe any United States or Foreign patent, trademark, copyright, trade secret or other proprietary or similar rights; (ii) Seller will, at its own expense, defend any suit that may arise in respect thereto; and (iii) Seller will indemnify and hold Buyer harmless from all loss and expense incurred on account of any alleged or actual infringement.
